NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having with any person or firm mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, 1916, No. 3, any dealings other than such as are expressly authorised by Paragraph 5 of the Proclamation.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London *Gazette* and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

† NOTE (2).—Where a person or firm mentioned in the List has more than one address in the country or group of countries under which the name of the person or firm appears, all dealings in that country or in any country in the group with such person or firm are prohibited, even in cases where one only of the addresses or one only of the countries is specifically mentioned.

NOTE (3).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June and 10th November, 1915, with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (4).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes without the necessity of referring the matter abroad. The Department is however, prepared, on application, to enquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by telegraph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department if applicants, in making enquiries, would specify the particular trade or trades for which substitutes are required.

NOTE (5).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country, who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The Lists for all countries in Central or South America are also telegraphed to His Majesty's Ambassador at Washington, who transmits them to His Majesty's Consul-General at New York and to other centres in the United States likely to be interested.

§ NOTE (6).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappij" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name, followed by the general descriptive term "Handel Maatschappij" or "Naamlooze Venootschap" (N.V.), as in the case of an English company. For instance, Handel Maatschappij van den Berg & Company and Naamlooze Venootschap de Komeet v/h Dumonceau Frères will be found under Berg and Komeet respectively, and not under "Handel" or "Naamlooze."

UGANDA RAILWAY.

Reduction of Passenger Train Service.

OWING TO THE DIFFICULTY that exists in obtaining the stores and material necessary for the maintenance and repairs of locomotives and rolling stock, and to the great importance of conserving as far as possible all stores and supplies, it is found necessary to reduce the present passenger train service of one train each way daily over the Uganda Railway to four trains each way per week from the Coast to Nakuru, and three trains each way weekly between Nakuru and Kisumu. It may also be necessary to reduce the speed of these trains to enable them to take a greater load. This change will take place on and from Monday, 15th October, 1917, and due notice will be given by the Traffic Manager of the timing of the trains and of the days on which they will run on the different sections of the Railway.
