EXPORT FACILITIES.

NOTICE.

GAZETTE NOTICE No. 442 DATED THE 10TH NOVEMBER, 1917.

INTENDING SHIPPERS are informed with regard to the above notice that the returns referred to therein should be sent in in the following form to the Chief of Customs, Mombasa:—

Name of Producer.	Date of return showing produce now ready for shipment, and what may be expected to be ready by next steamer.	Name of Estate.	Number and description of packages.	Marks.	Where stored: nearest railway station.	Produce.	Weight.	Approximate shipping measurement.	Probable port of consignment.	Name of agent at Mombasa.	Amount of last year's crop.	Whether consignment is from last year's or this year's crop.	Country of Origin.

It is recommended that fresh returns should be forwarded as soon as possible so as to avoid any confusion, and that care be exercised to ensure that cargo advised from up country is not again advised by the Mombasa agent or other agent.

Owing to the present congestion at the port and the shortness of time allowed to the Sub-Committee for notification of the sailing of the "Clan Maclaren" expected to arrive here early in November of which notification only reached the Sub-Committee to-day, the Sub-Committee have decided that for this ship at any rate the godowns at Mombasa be cleared as far as possible of produce already at the coast awaiting shipment.

This however does not apply to British East Africa sisal of which there is not a sufficient amount at the port to fill space available.

In order to facilitate shippers allotment will in future be made for cargo of which notification has been received which may be held up country but no guarantee can be given that such cargo will be shipped if it is not ready at the port when required.

Shippers are informed that no consideration will be given to produce other than that of British East Africa and Uganda until after such latter produce has been fully provided for.

No applications for space will be entertained except such as have been notified in the required form to the Chief of Customs.

MOMBASA,

31ST OCTOBER, 1917.

Secretary, Home Loading Sub-Committee.
